

GRASSLAND MONITORING  
MANUAL FOR BRITISH COLUMBIA:  
A TOOL FOR RANCHERS

GRASSLANDS CONSERVATION COUNCIL OF BRITISH COLUMBIA

## ***Grassland Monitoring Manual for British Columbia: A Tool for Ranchers***

Maintaining healthy, reliable grass from year to year while dealing with fluctuating climatic changes and shifting operational needs can be challenging. Whether on Crown or private lands, this manual provides a strong systematic approach for recording what is happening on your grassland. In turn, the manual will assist you to assess trends over time and to make important grazing management decisions.
